Q:How to add my logo?
A:Silk-screen printing the logo or add logo Aluminum plate.

Q: what Custom color for my Safe ?
A: We offer two standard colours - black and grey.
However, if the MOQ is met, we accept customized colours.

Q: what Custom size for my Safe ?
A:lf the size of our product does not meet your requirements,we customize it according to your size.

Q: How about the safe MOQ?
A:Different safes different MOQ. We accept one piece.
Q: How can I do if lost my safe key?
A: To recover your combination, you will first need to find your model and serial number.
For Digital safe, Fire Safes, Fire and Waterproof Safes,hotel safe ,etc... a lock reference number is required.
You can find the key number engraved/located on the silver cylinder of the lock.

Q: How about the quality guarantee?
A:We offer one-year warranty (damage not caused by human factors), and free replacement parts service.
We can design products free of charge, including size, structure, color, LOGO, packaging, etc. We also provide product improvement.

Q: How about the production lead time?
A: Normally 30-45days after order confirmed.
