

Product description

The Security Safe with Digital Lock comes in a red, black or white exterior finish furnishing a handsome look that will seamlessly blend in and enhance any home or office space. Four mounting bolts are also included for easy installation of the safe to walls, floors or shelves. In addition to protecting your valuables from intruders, this safe will also safeguard your precious belongings against scratches and damage. The inside is outfitted with a soft carpeted floor, furnishing an added layer of protection for your jewelry, heirlooms and other delicate items.
