

Product description

Our company was newly built in April 2019, with about 300 full-time employees and more than 12000 square meters of site. This factory grew out of Guangzhou Ruibo, which has a history of nearly 20 years, is one of the earliest medical device manufacturers in China. We have a complete engineering capability from design to manufacturing, and can independently complete embedded development, engineering design, injection molding, PCB, SMT, assembly, testing and other series of links.

technical:

Operating Voltage □ DC 3V

Battery Model □ AAA x 2 alkaline batteries

Battery Life Alkaline □ dry battery for around 20,000 measurements

Measure time □ About 1~2 second

Measuring Range Forehead mode: 32.0°C-42.9°C (89.6°F-109.2°F)

Object mode: 0.0°C-93.0°C (32.0°F-199.4°F)

Accuracy(Laboratory) □ ±0.2°C (±0.4°F)

Memory 20

temperature readings

Low-battery Alert The low-battery symbol is displayed if the power voltage is lower than 2.5 V±0.1V

Automatic Power-off The thermometer automatically powers off if it is not used in 8 ± 1 seconds.

Outer dimensions(mm) \square 140×40×40mm

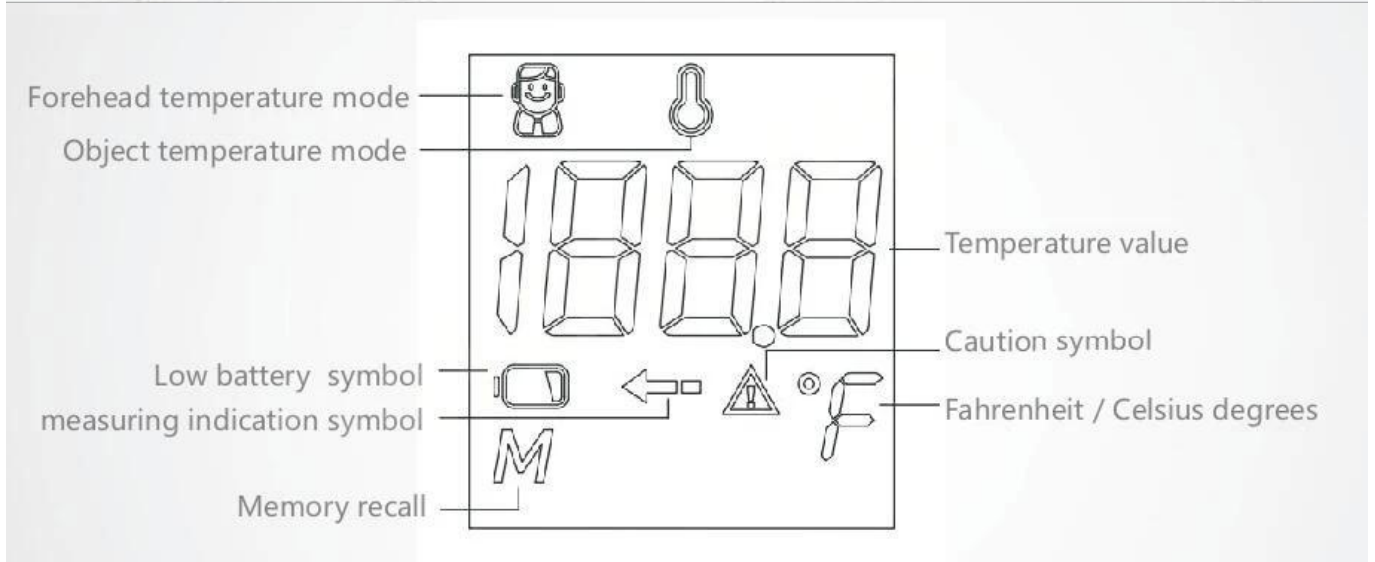

Weight (g) (without batteries): 68g

Operating Environment Temperature: 16°C~ 35°C (60.8°F-95°F)

Humidity: 15%-95% RH, non-condensing

Atmospheric pressure: 86-106 kPa

Features:

- Good safety:passive infrared receiving technology
- Quick measurement
- easy operation:Ergonmc design,one button measurement
- High accuracy
- Advanced infrared temperature sensor,with high sensitivity.

Good safety
Passive infrared receiving technology

Easy operation
Ergonomic design
One button measurement

Quick measurement
2-second measurement

High accuracy
Advanced infrared temperature sensor, with high sensitivity

Packing details

inner box size	475x335x185mm
master carton	490x350x400mm
weight	11/13kgs

FAQ:

Q:Are you a factory or a trade

A:We are a factory.

Q:Can we buy a sample to test?

A:Yes you can

Q:What is the delivery time?

A:from 3 days to 15 days or more.Depends on the order quantity.

Q:Should we pay for the samples?

A: Yes you need to pay the cost and when you place formal order(200pcs or more) the cost will be deducted.

Q:Can we visit your factory?

A: Yes you are welcome.

Q:Can your print our logo on the products?

A:yes we can
